Your Cold Read from Will Keenan

Thanks for ordering! Here's how to get your video:

1. Go to the Solo Sees Studios store and click Contact (solo-sees-studios-llc-shop.fourthwall.com/contact).
2. Include your order number and tell us:
   - Your script (up to about 150 words / 1 minute)
   - Who it's for, and any names with pronunciations
   Will has NOT seen it before he hits record: he reads it word for word, first take, reactions and all.
   Swearing gets bleeped in post if it's too naughty.
3. Will records it and we email it to you, usually within 7 days of getting your details.

House rules: no hate, slurs or jokes about race, religion, disability, gender or sexuality; nothing sexual; nothing about minors beyond a sweet birthday hello; no product or political endorsements; nothing pretending to be a real statement from Will or anyone else. Will can skip any line. If he can't do a request, you'll get a full refund.
