Your roast video from Will Keenan

Thanks for ordering! Here's how to get your video:

1. Go to the Solo Sees Studios store and click Contact (solo-sees-studios-llc-shop.fourthwall.com/contact).
2. Include your order number and tell us:
   - Who's getting roasted (name + how to say it)
   - 3-5 things to roast them about (their car, their cooking, their fantasy football team...)
   - Anything that's off limits

   Keep it friendly: they should be in on the joke.
   Salty language is fine; we bleep it in post.
3. Will records it and we email it to you, usually within 7 days of getting your details.

House rules: no hate, slurs or jokes about race, religion, disability, gender or sexuality; nothing sexual; nothing about minors beyond a sweet birthday hello; no product or political endorsements; nothing pretending to be a real statement from Will or anyone else. Will can skip any line. If he can't do a request, you'll get a full refund.
